ABOUT ME

Web Developer specializing in the MERN (MongoDB, Express.js, React, Node.js) stack. Demonstrated expertise with 1 year of hands-on experience in crafting dynamic and responsive web applications. Proficient in HTML, CSS, and JavaScript for building intuitive user interfaces. Experienced in utilizing Next.js to create efficient and performant React applications.

EXPERIENCE

Full Stack Developer

UiDesignz

10/2022 - Islamabad

- As a Full Stack Web Developer at UiDesignz, my primary responsibility was development and maintenance of websites and web applications. In the dynamic role, I adeptly translated design mockups and wireframes into engaging and responsive web pages, employing a skill set that encompasses HTML, CSS, and JavaScript, with a particular focus on React.js and Next.js.

TESTIMONIAL

Muhammad Mubeen /CEO Uidesignz / Source LinkedIn

Huzaifa Afraz, a talented full-stack developer, has been an invaluable member of our web development team. He worked on our website UiDesignz as a full-stack developer and also work on various projects.

Huzaifa Afraz is a versatile and highly skilled developer. His ability to seamlessly transition between front-end and back-end development makes him an invaluable asset to any web development project. He consistently delivers websites that are both visually impressive and technically robust. Working with Huzaifa Afraz is always a pleasure
